BEDROOM COLLECTION

## BEDROOM COLLECTION

In our 2019 - 2020 Bedroom Collection, we introduced the most beautiful flowers of spring, the eternity of blue and the shiniest tones of the sun to romantic, bohemian, ethnic and traditional lines.

You will feel the peace of simplicity, the glory of classy and shine, the energetic soul of colorful models, the freedom of geometrical patterns and the nobility of traditional lines in our collection within every touch.

In this collection which we elaborated for you, we presented alternatives which will improve the atmosphere of your living areas only with one touch.

## ECLECTIC SUMMER

We present you our Eclectic Summer collection having a traditional style to create an ethnic atmosphere in your bedroom, which we synthesized from patterns of different cultures and is inspired by travel.

You can see the harmony of beige tones accompanying blue tones and brick color.

You can add a different ethnic touch to your bedroom with black - white.

Your bedroom will have a different look this year with ethnic details preferred in fashion, home textile and home decoration a lot.

You can elaborate your decoration with macramé knitting, wicker baskets and decorative feathers while combining the patterns in this collection.

## MAYRA

Feel the eternal peace of blue with Mayra quilt cover set decorated with ethnic motives.

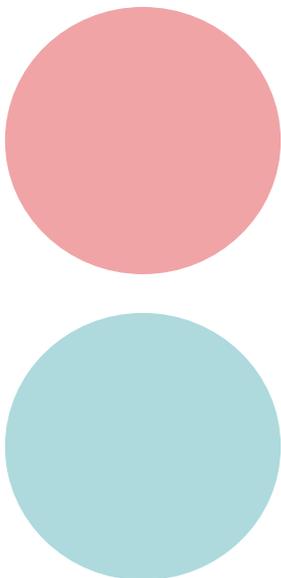

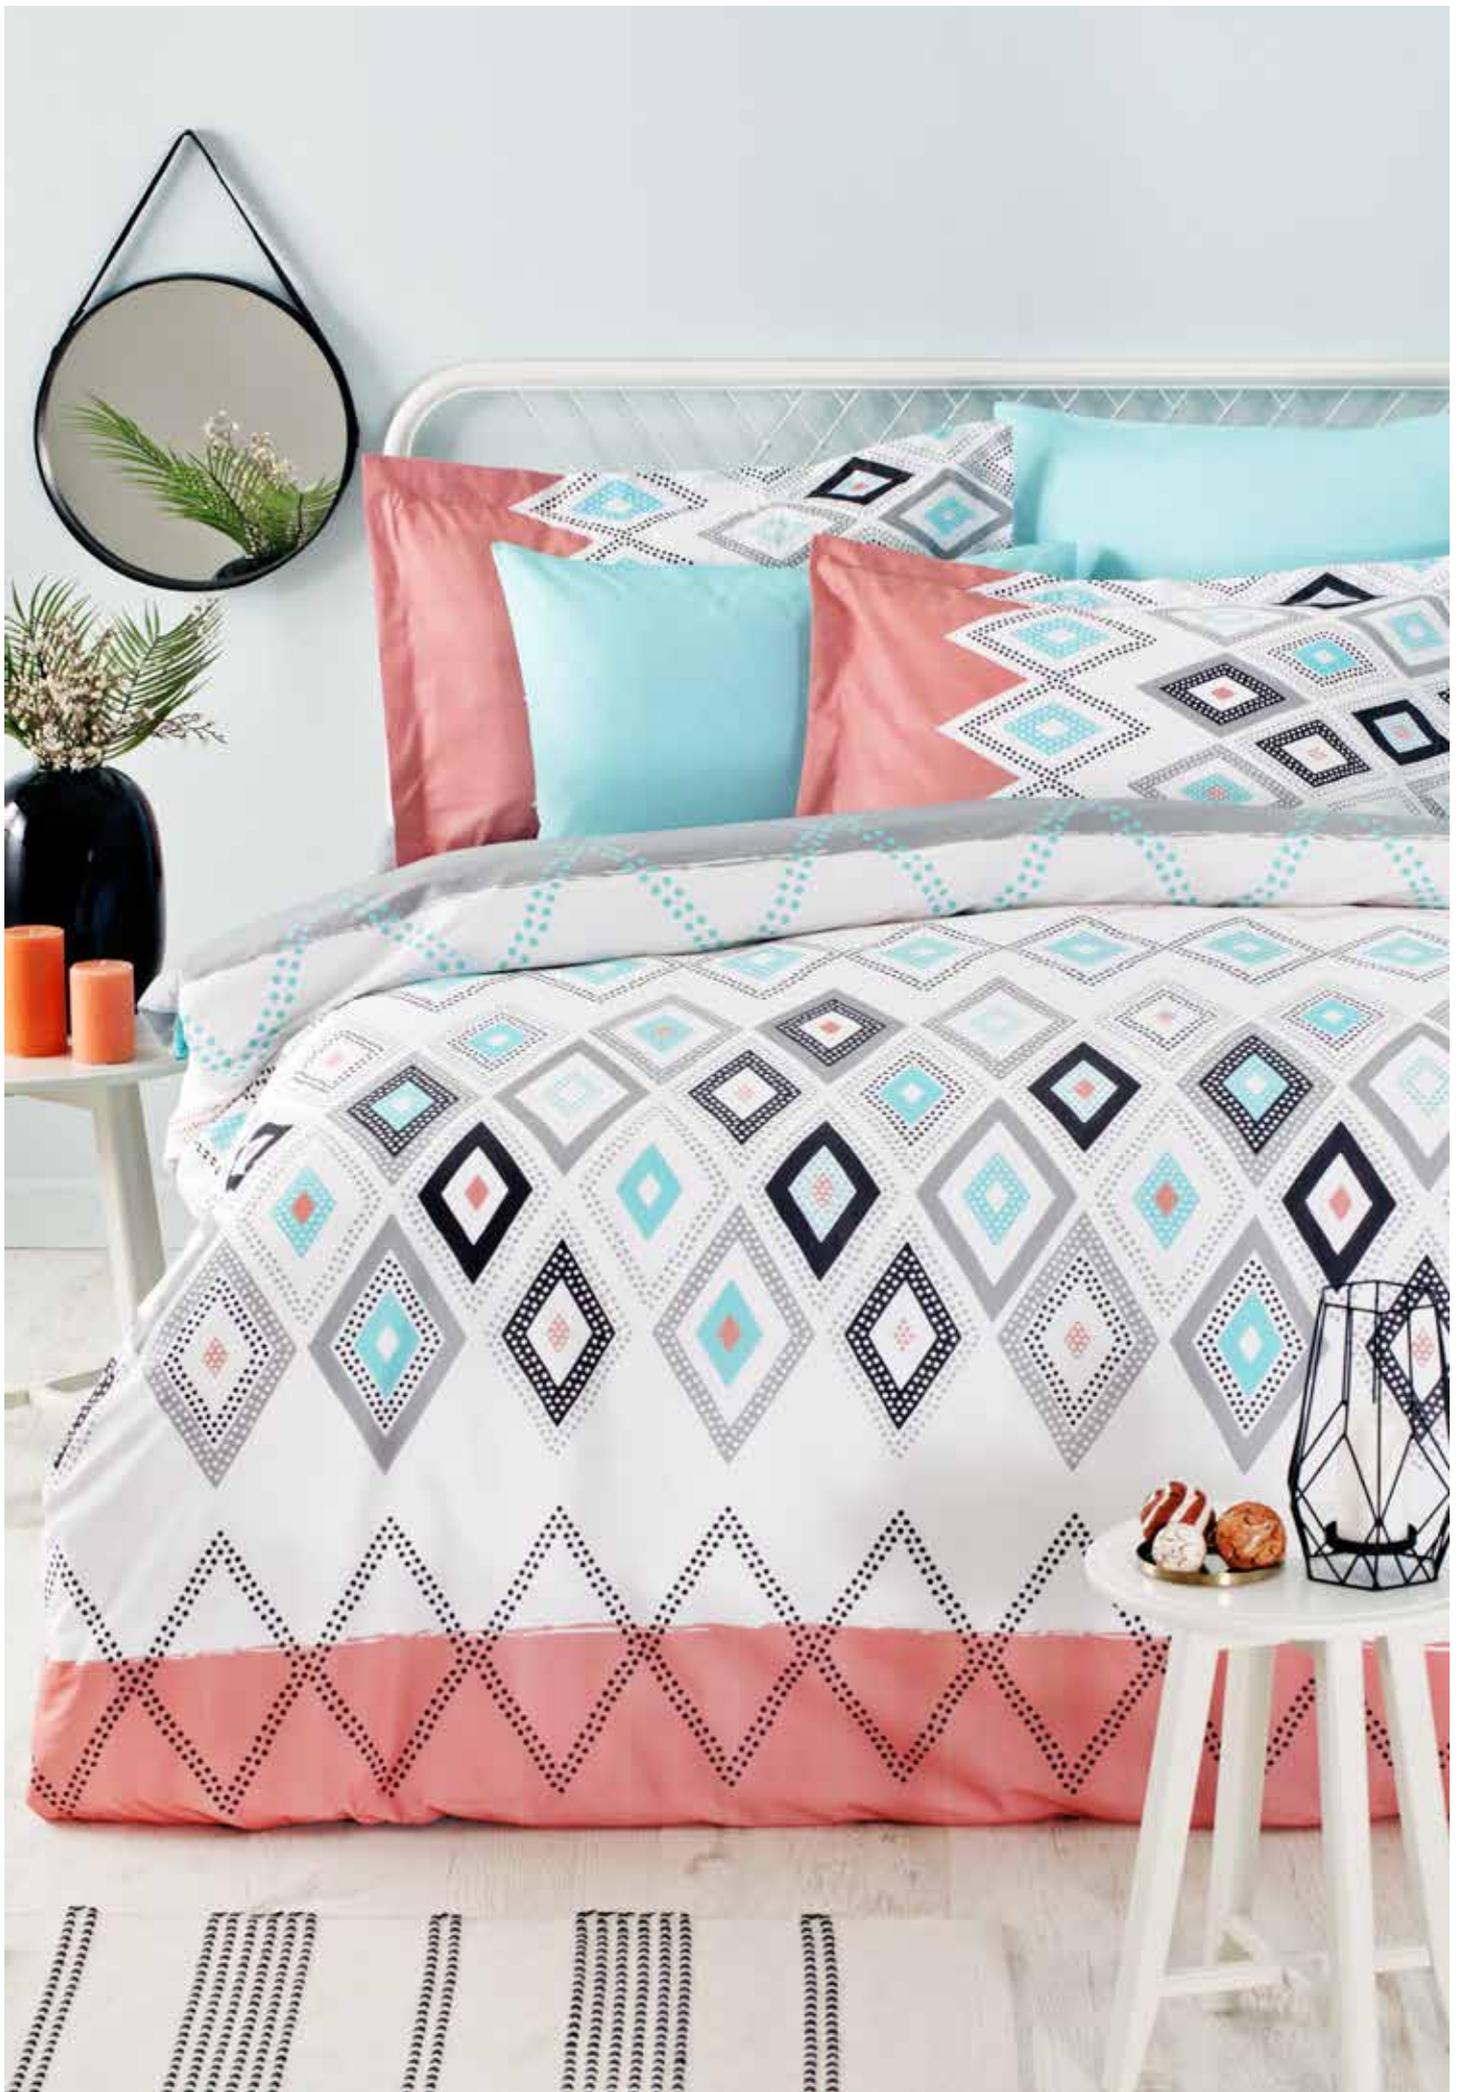

DREAM LOVE

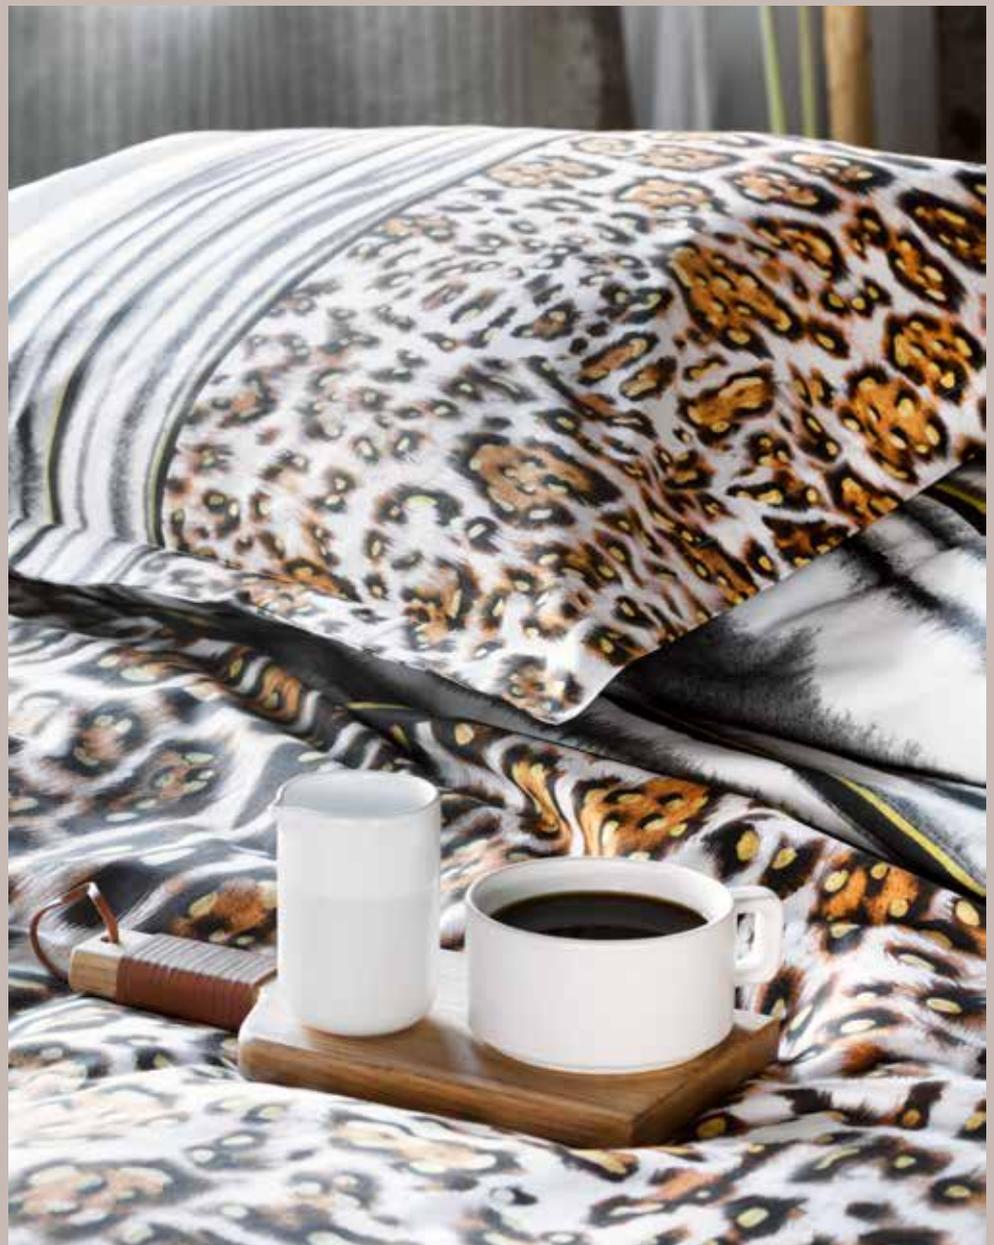

BETTINA

## SENJA

## RAUL

Traditional carpet and rug motives, handmade texture and details will incomparably change your bedroom.

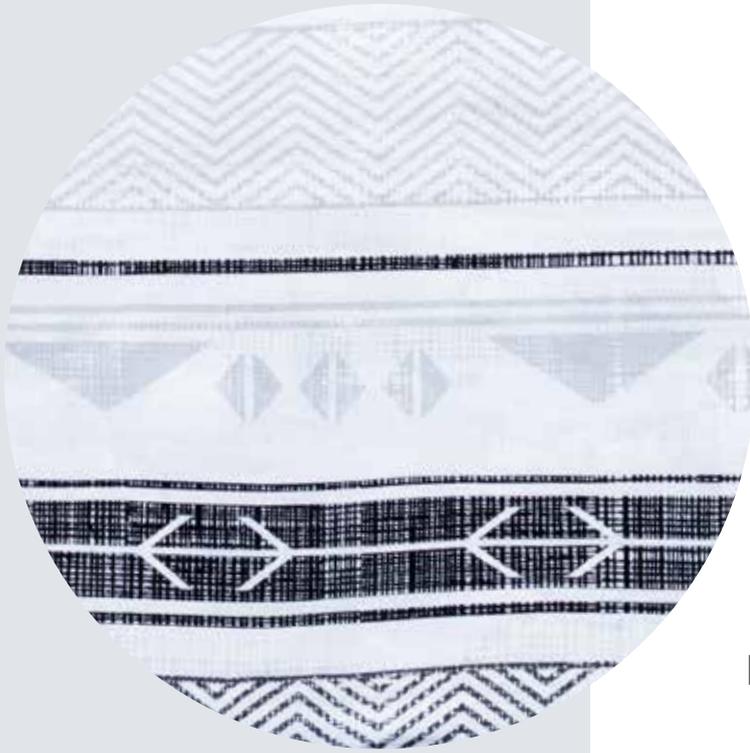

RAUL

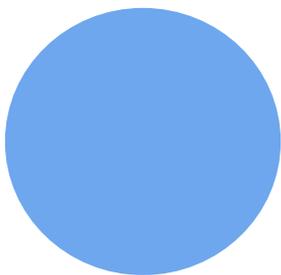

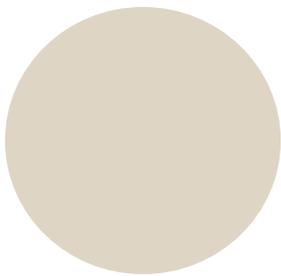

HENA

MOROCCO

## **BOHEM EFFECT**

It's high time for you to add new designs to your bedroom as the weather gets warm with spring.

We tried to achieve the spring atmosphere in our models by combining the romantic details with flower patterns in pastel tone.

Let yourself go into the epic and romantic world of bohemia with beige, pink, lilac tones.

The atmosphere reflecting the spring flowers and cottage concept will boost your mood and give a fresh look to your house.

## LUCIANO

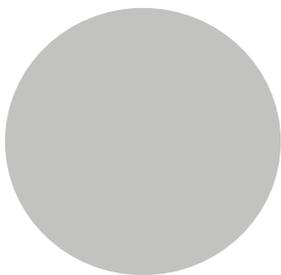

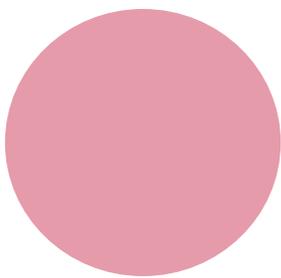

LUCIANO

AUDREY

RONA

Start the day feeling good and happy  
each morning like the awakening of  
the wonderful nature for the spring.

## CAROLINE

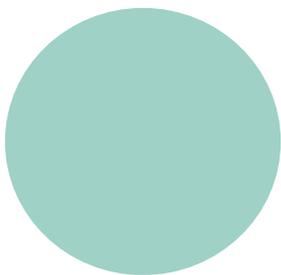

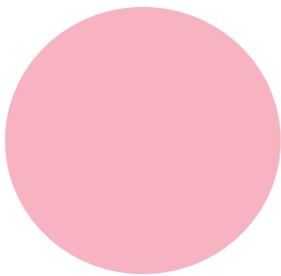

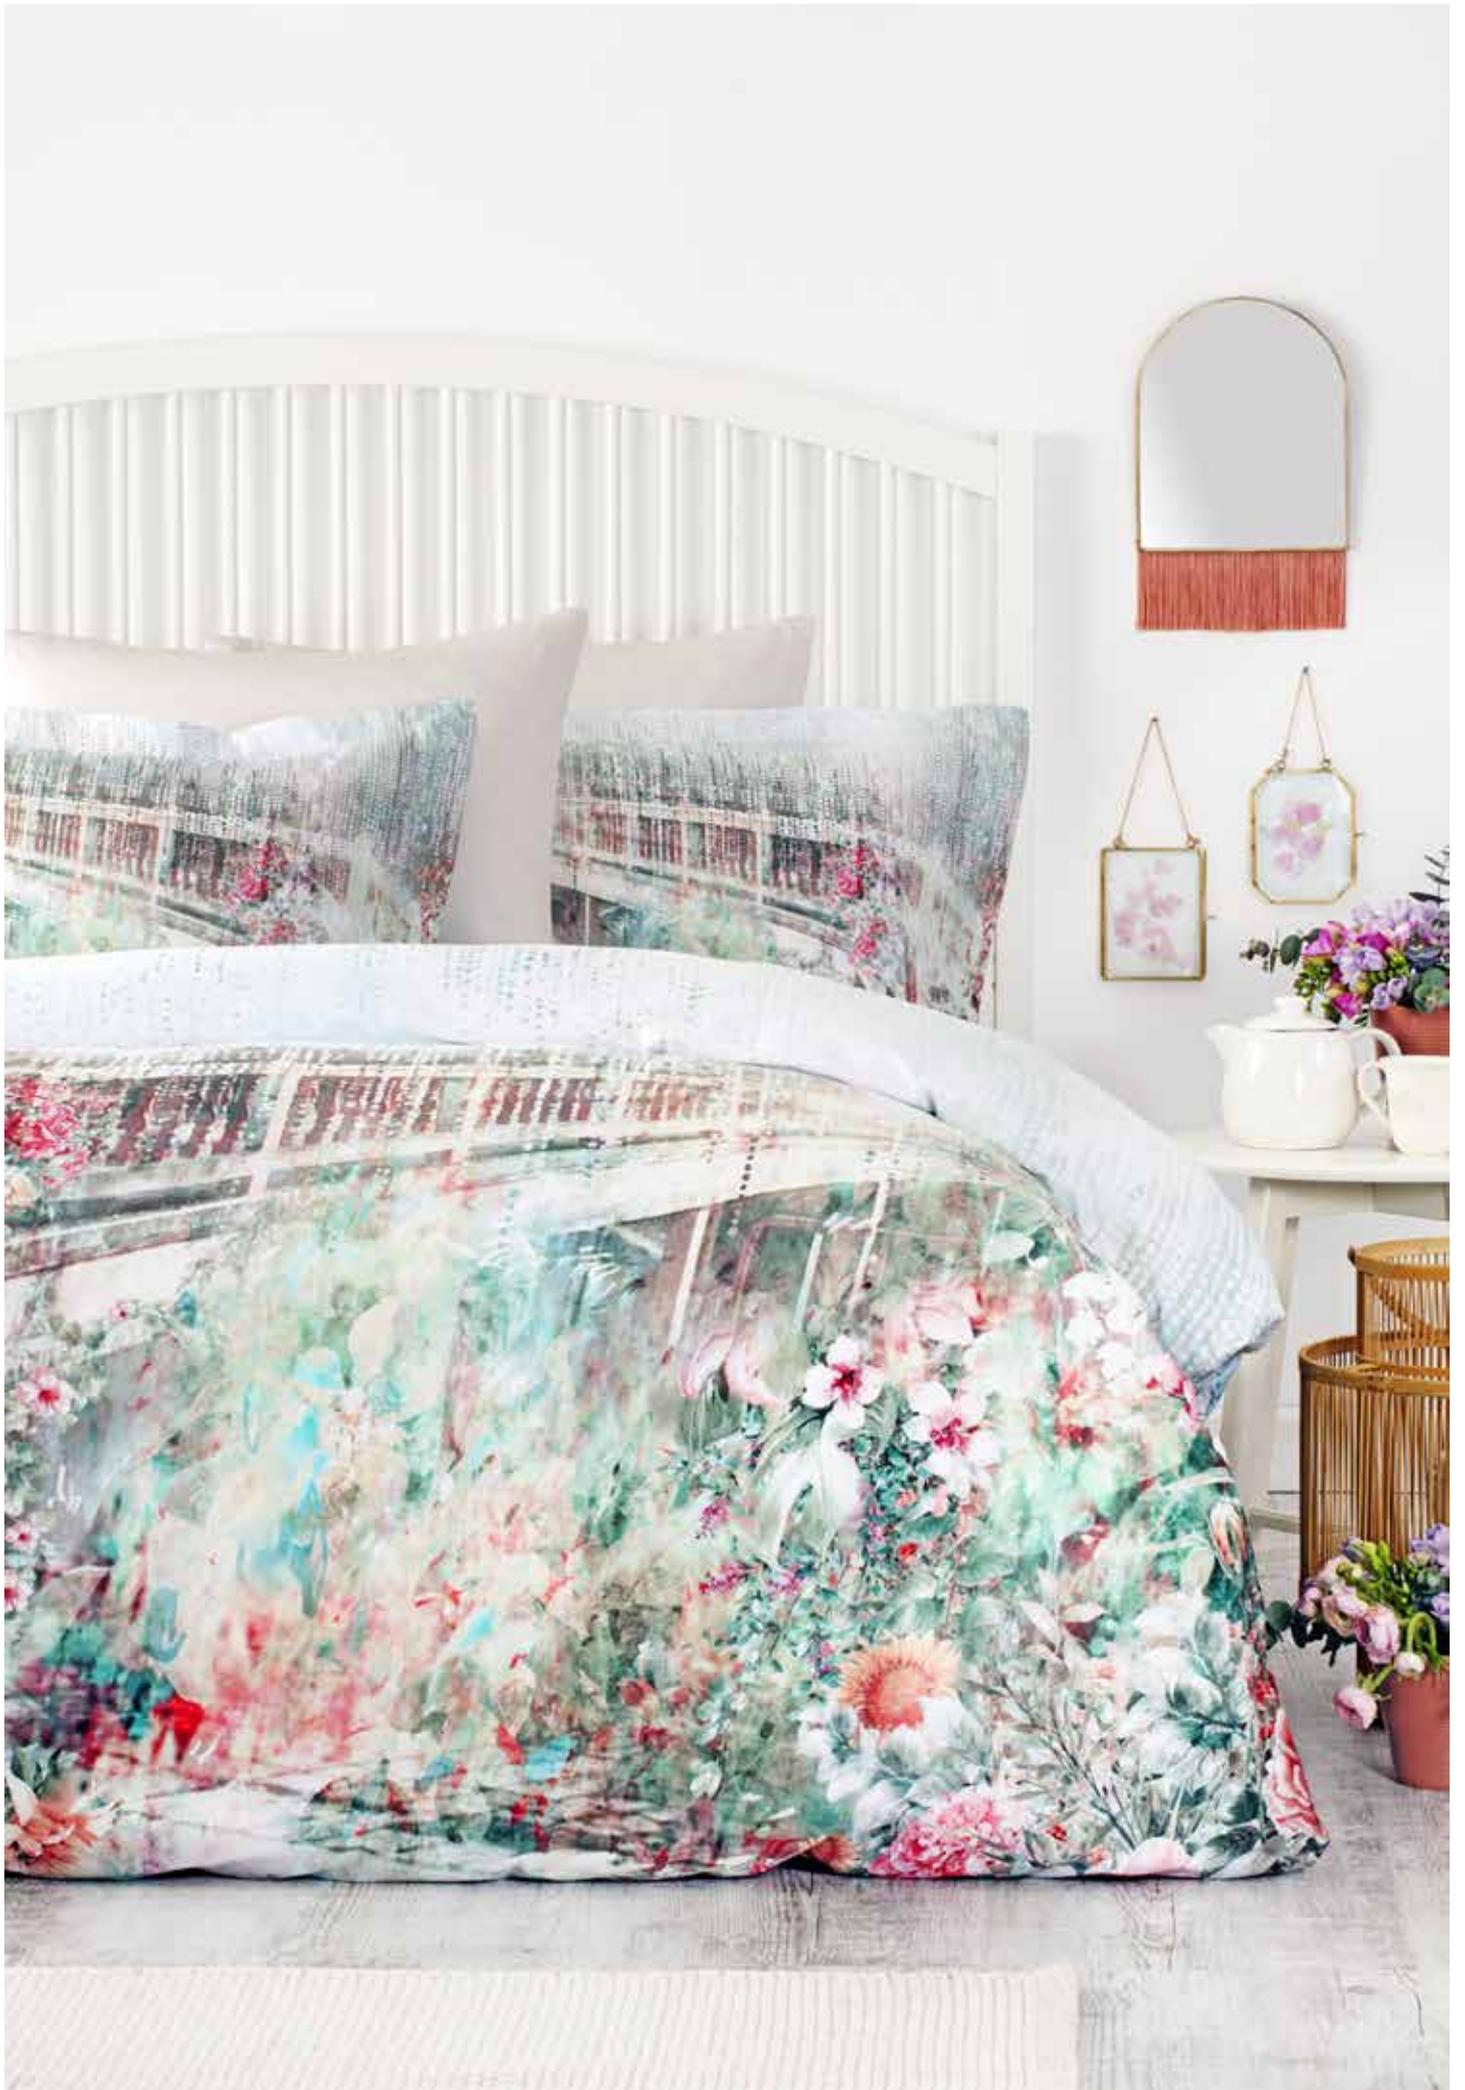

JONINE

**MATILDA**

## **GEOMETRICAL SHINE**

We present you the modern figures of dateless geometrical motives in a way suits your taste.

In this collection, modern geometrical details are accompanied by deep contrasts of vibrant colors and neutral colors.

You can escape the busy pace of city life and find the comfort and peace you search for in this collection which we prepared in geometrical forms.

You can create an atmosphere both classy and shiny in your bedroom as well as being modern, energetic and fun thanks to the printed details with golden and silver reflections.

We prepared colorful designs which the ones loving the classiness of the city can use for a long time with its dateless and dynamic nature.

CALM

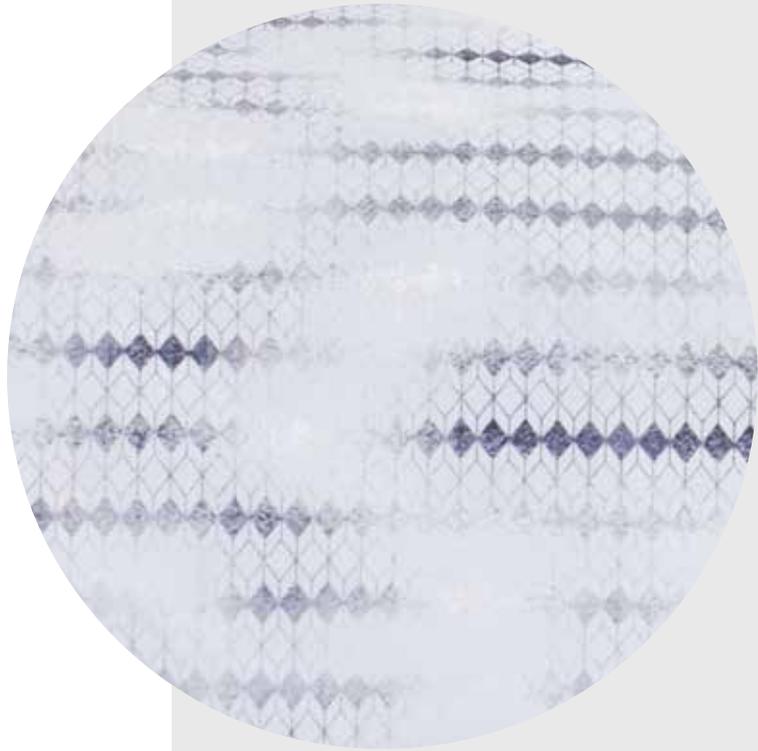

WINSLOW

## CALAIS

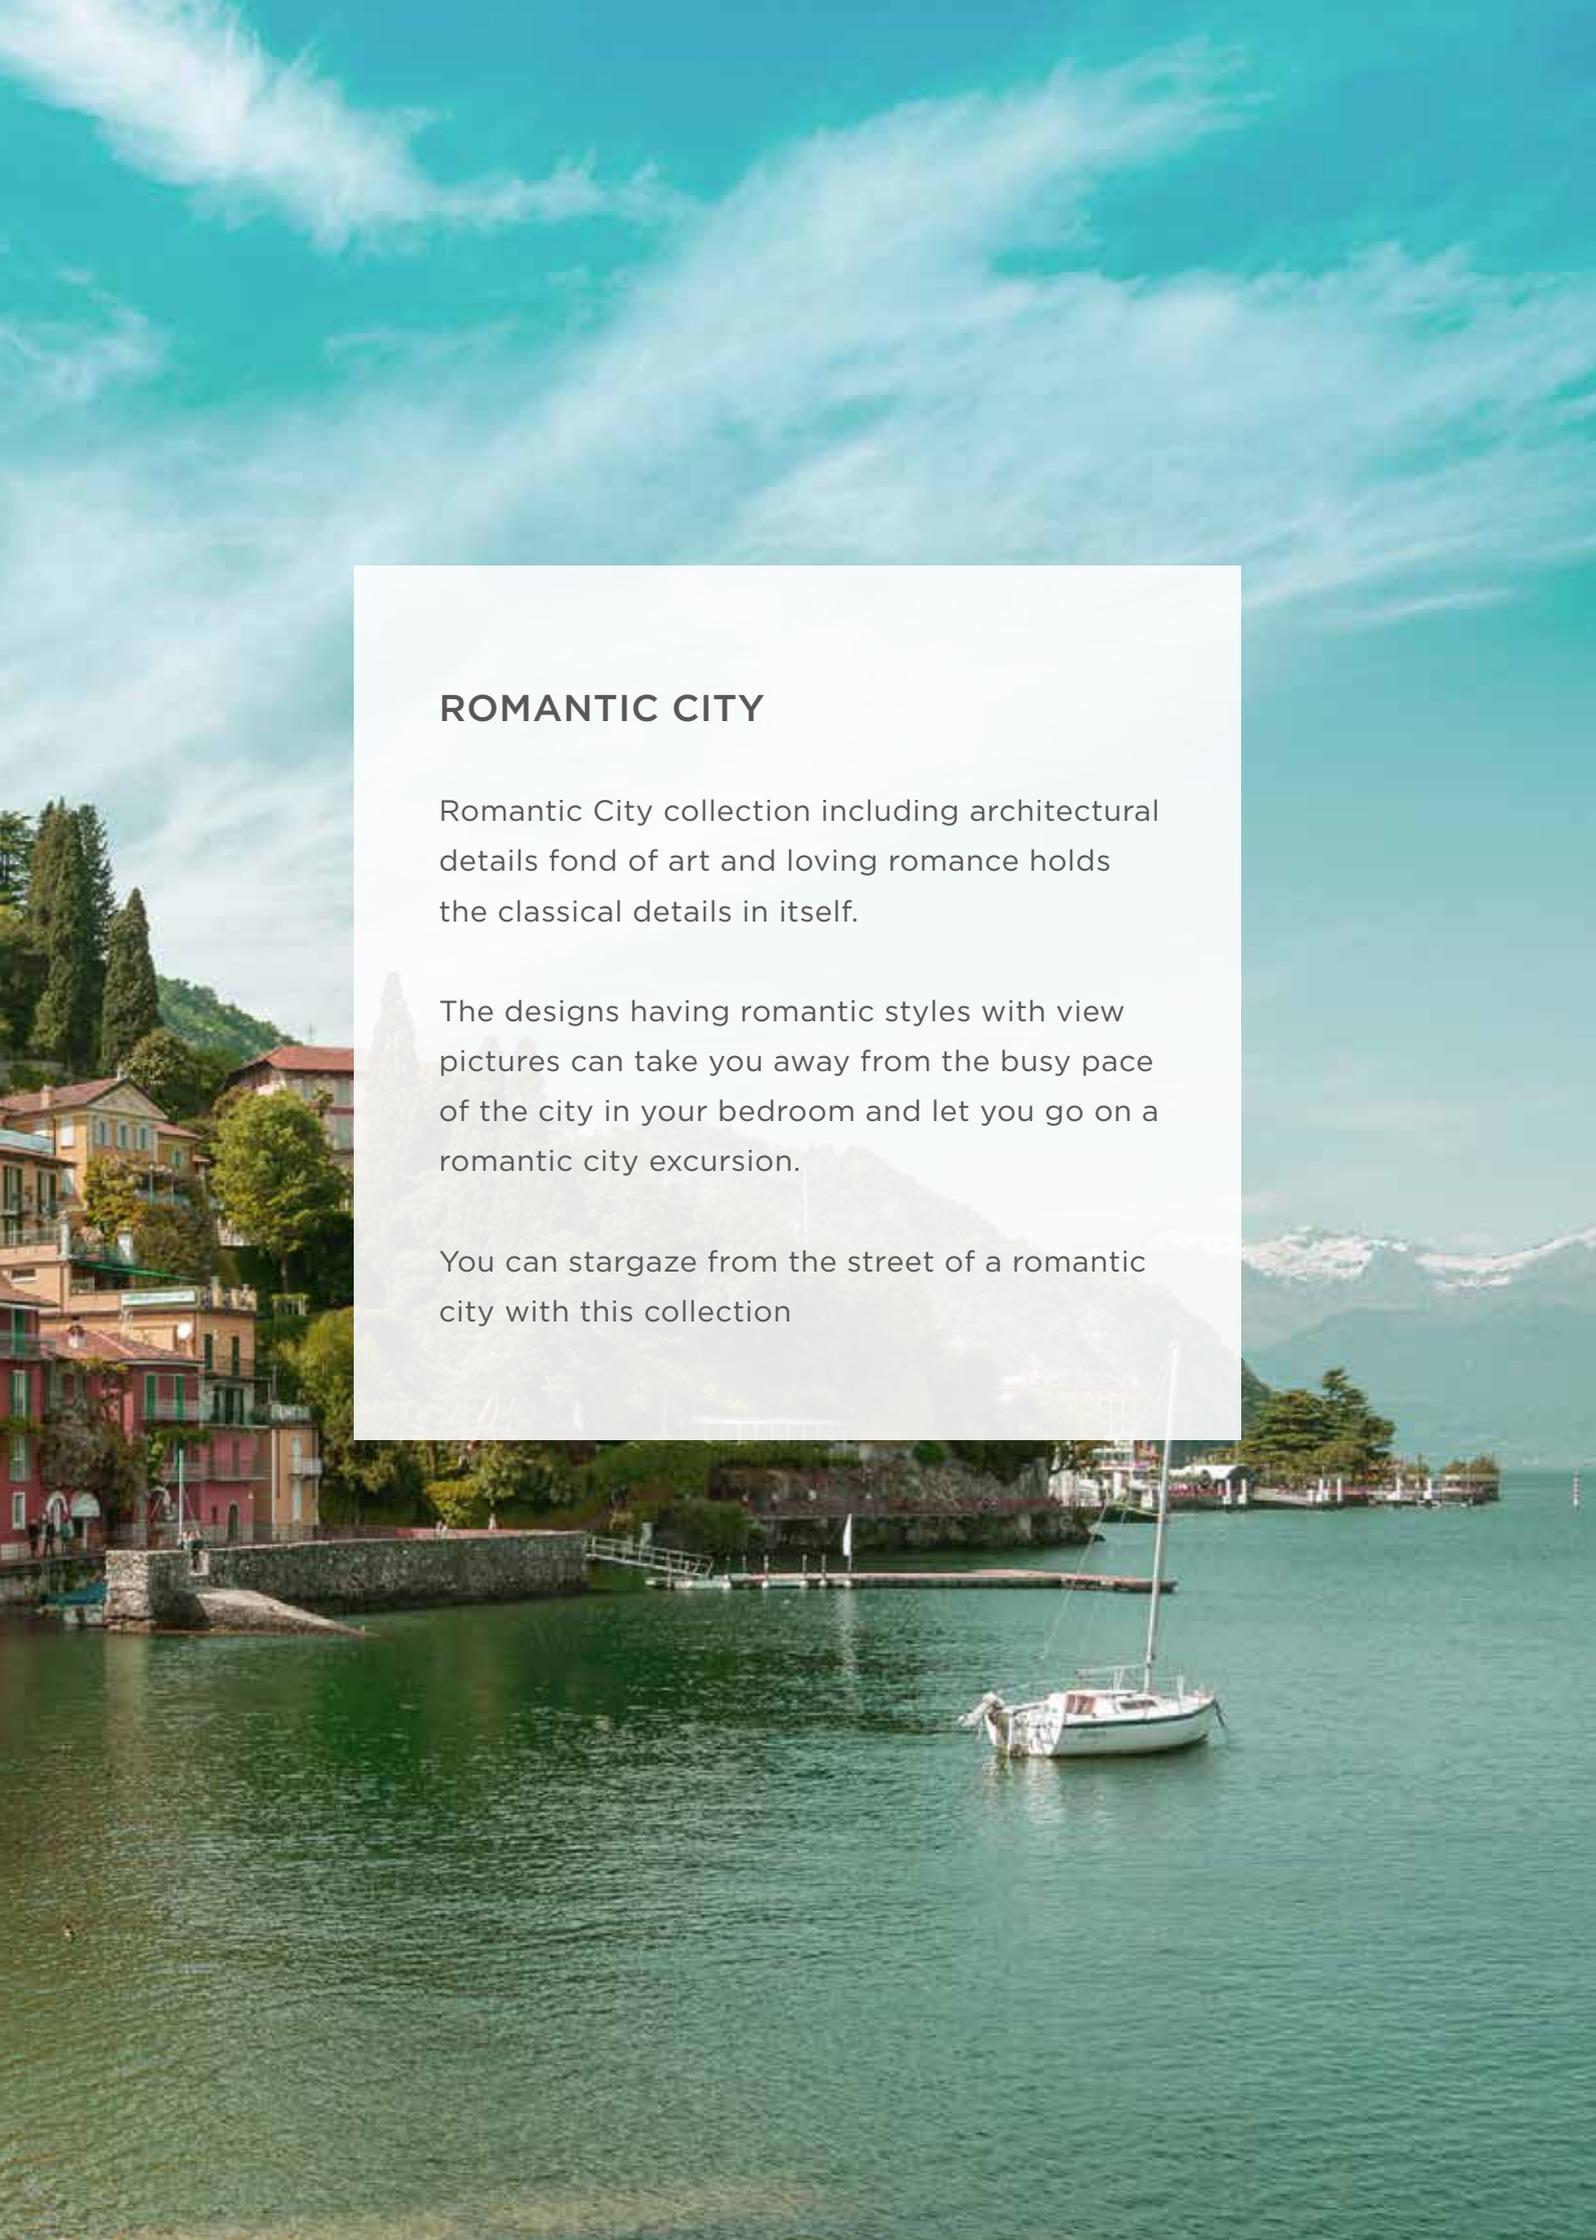

## ROMANTIC CITY

Romantic City collection including architectural details fond of art and loving romance holds the classical details in itself.

The designs having romantic styles with view pictures can take you away from the busy pace of the city in your bedroom and let you go on a romantic city excursion.

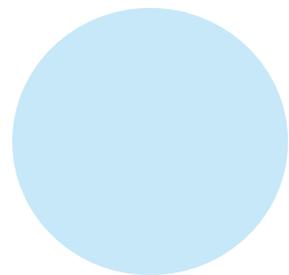

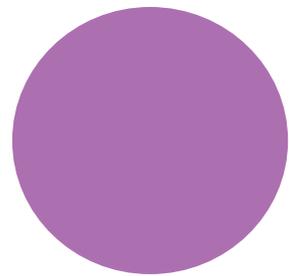

You can stargaze from the street of a romantic city with this collection

JACARANDA

## TOWN

You will feel like you are on an epic journey with these romantic city views holding the culture, art and love together.

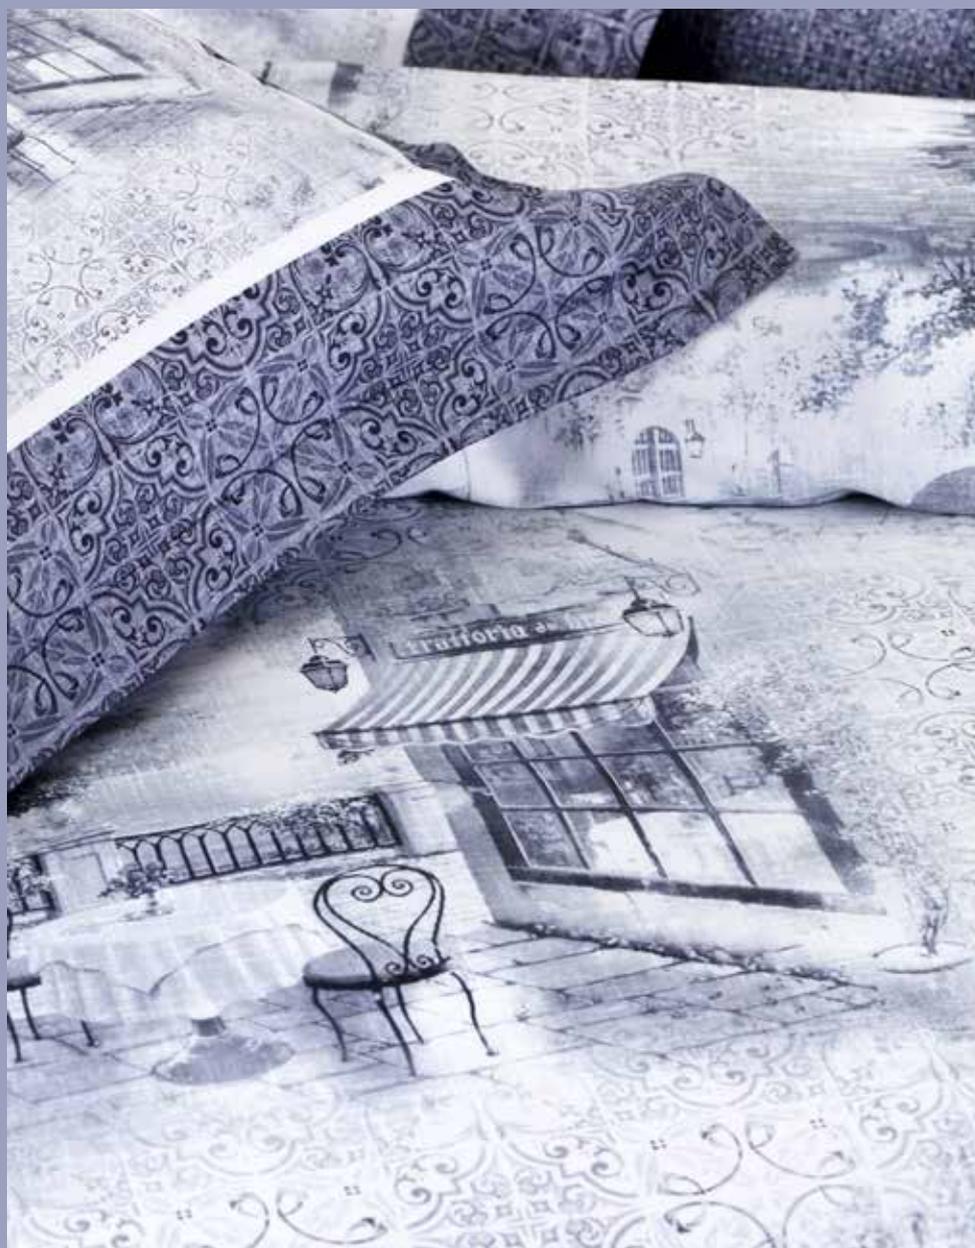

TOWN

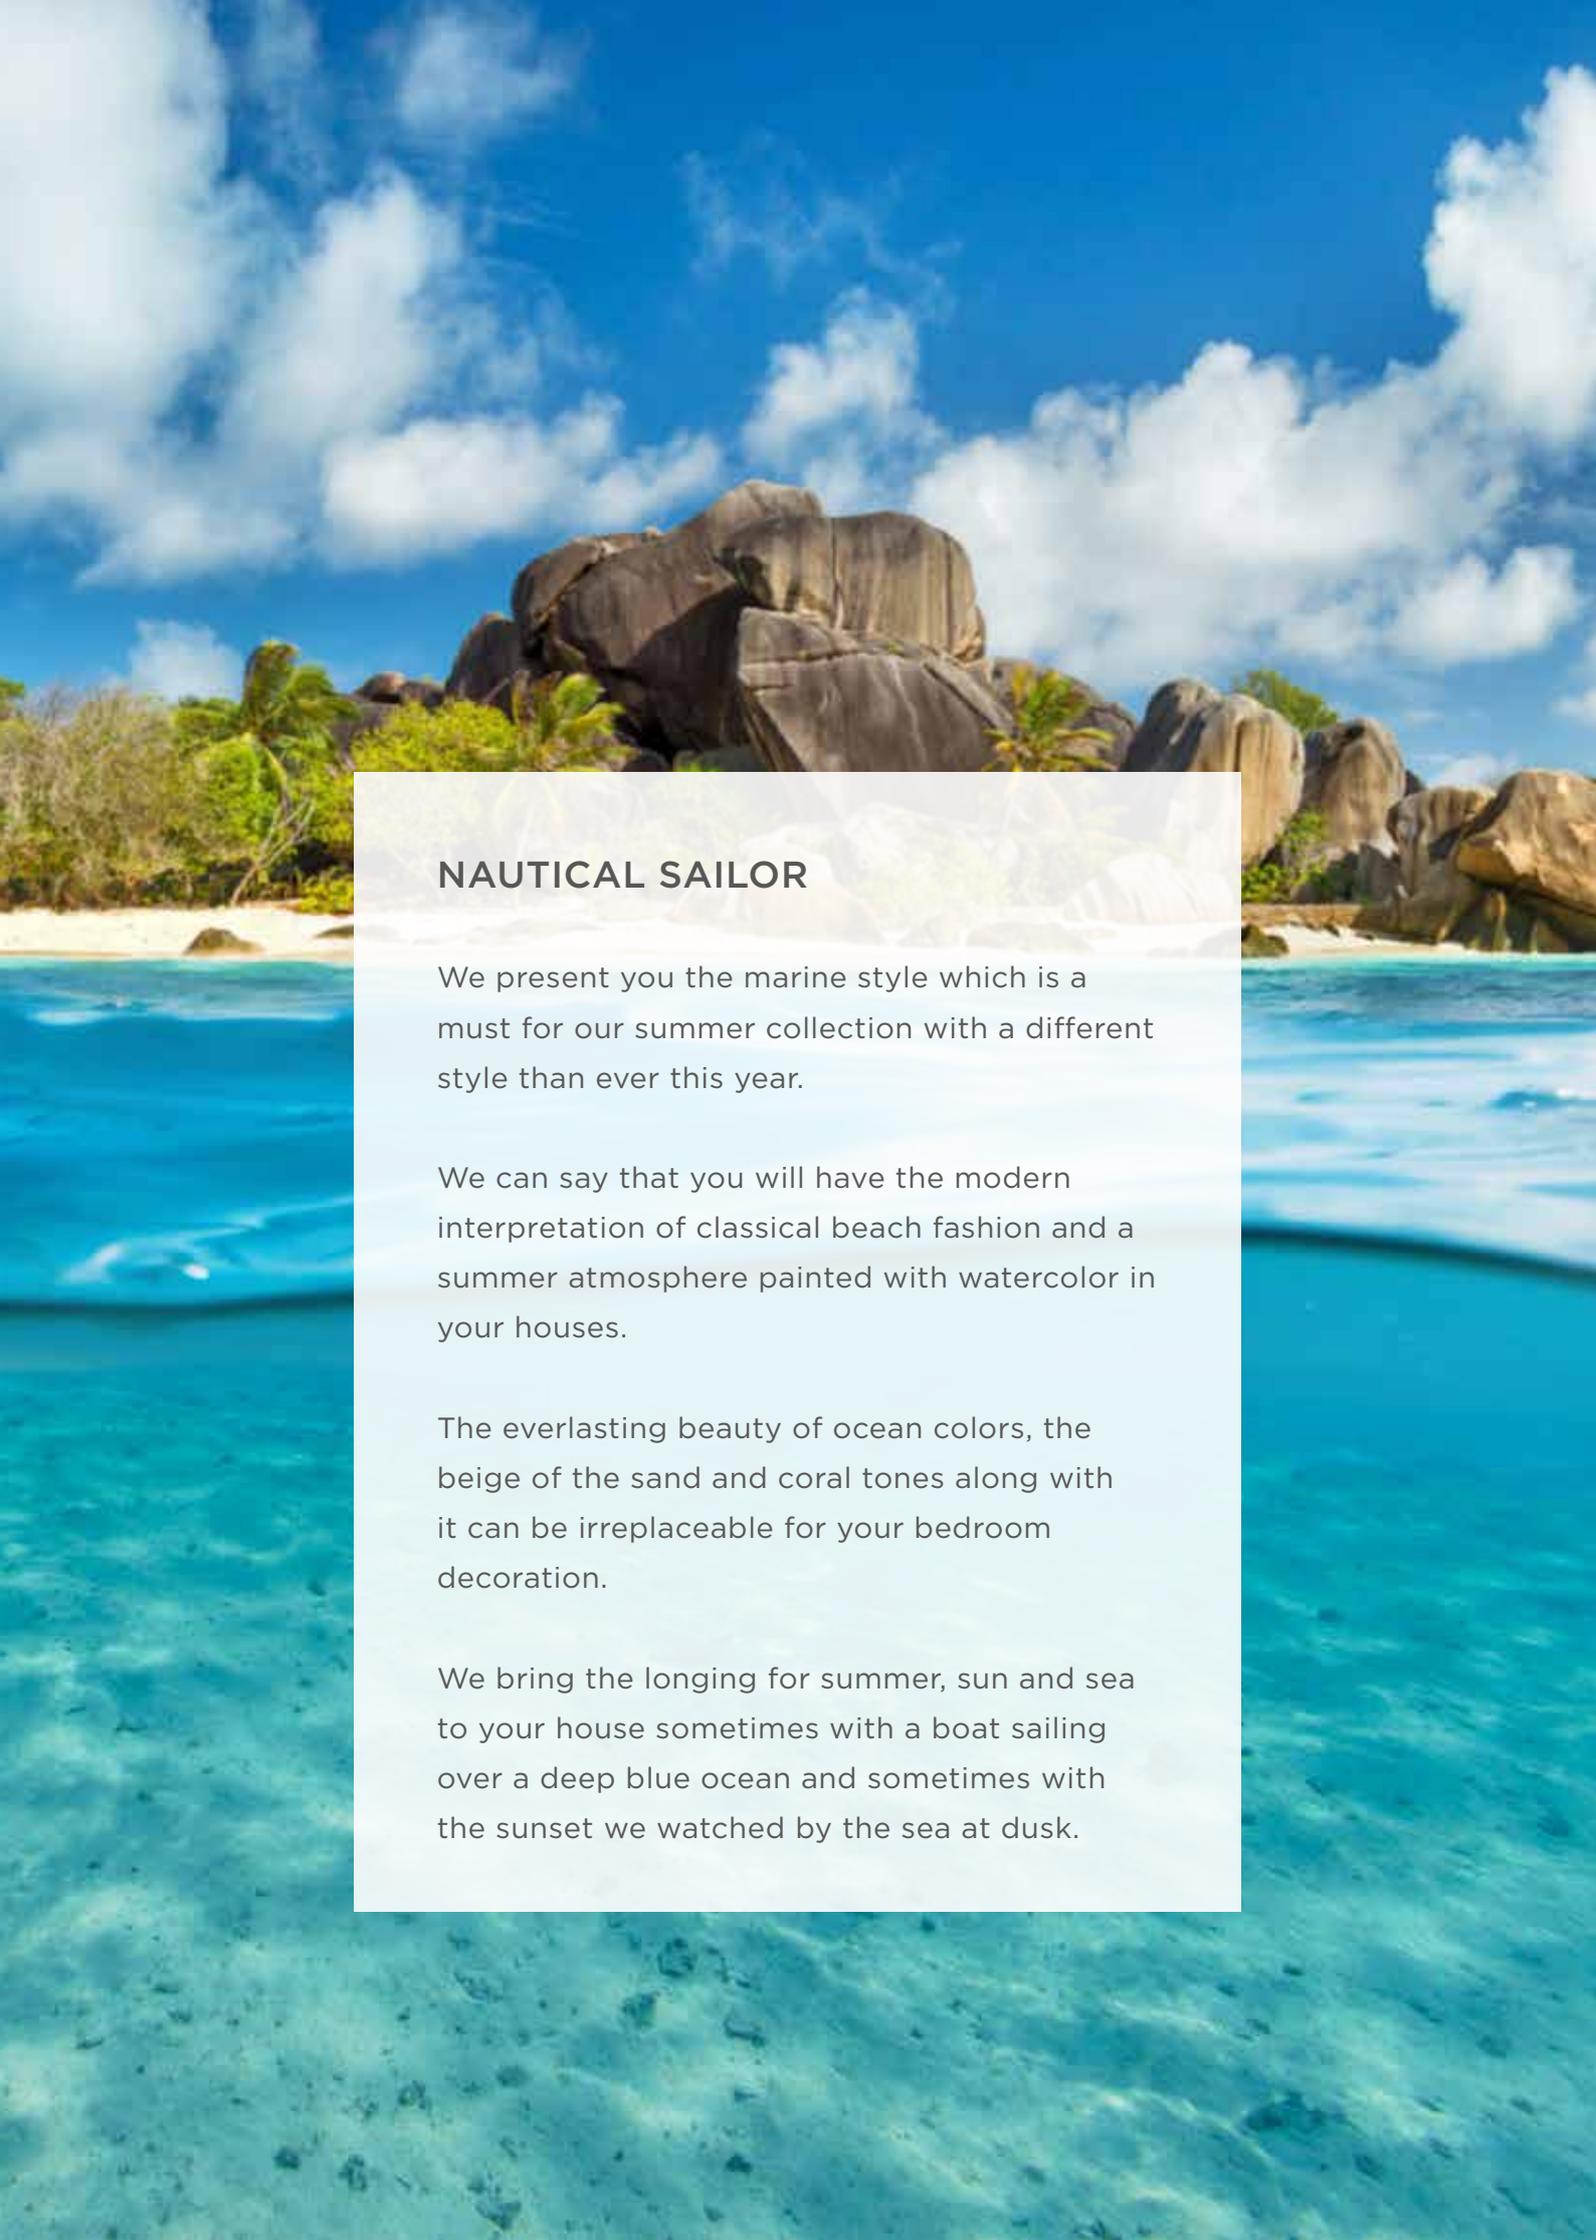

## LESVILLE

## NAUTICAL SAILOR

We present you the marine style which is a must for our summer collection with a different style than ever this year.

We can say that you will have the modern interpretation of classical beach fashion and a summer atmosphere painted with watercolor in your houses.

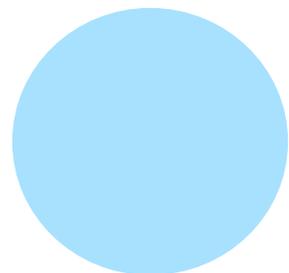

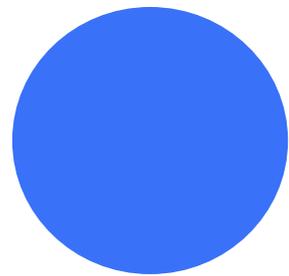

The everlasting beauty of ocean colors, the beige of the sand and coral tones along with it can be irreplaceable for your bedroom decoration.

We bring the longing for summer, sun and sea to your house sometimes with a boat sailing over a deep blue ocean and sometimes with the sunset we watched by the sea at dusk.

ORANGE

## **SIMPLICITY**

Our Simplicity collection including simple, elegant and dateless designs- having a natural texture continue to give your bedrooms a peaceful look.

The collections combining the patterns, textures and little motives which express the simplicity with neutral colors are the basis of the Simplicity collection.

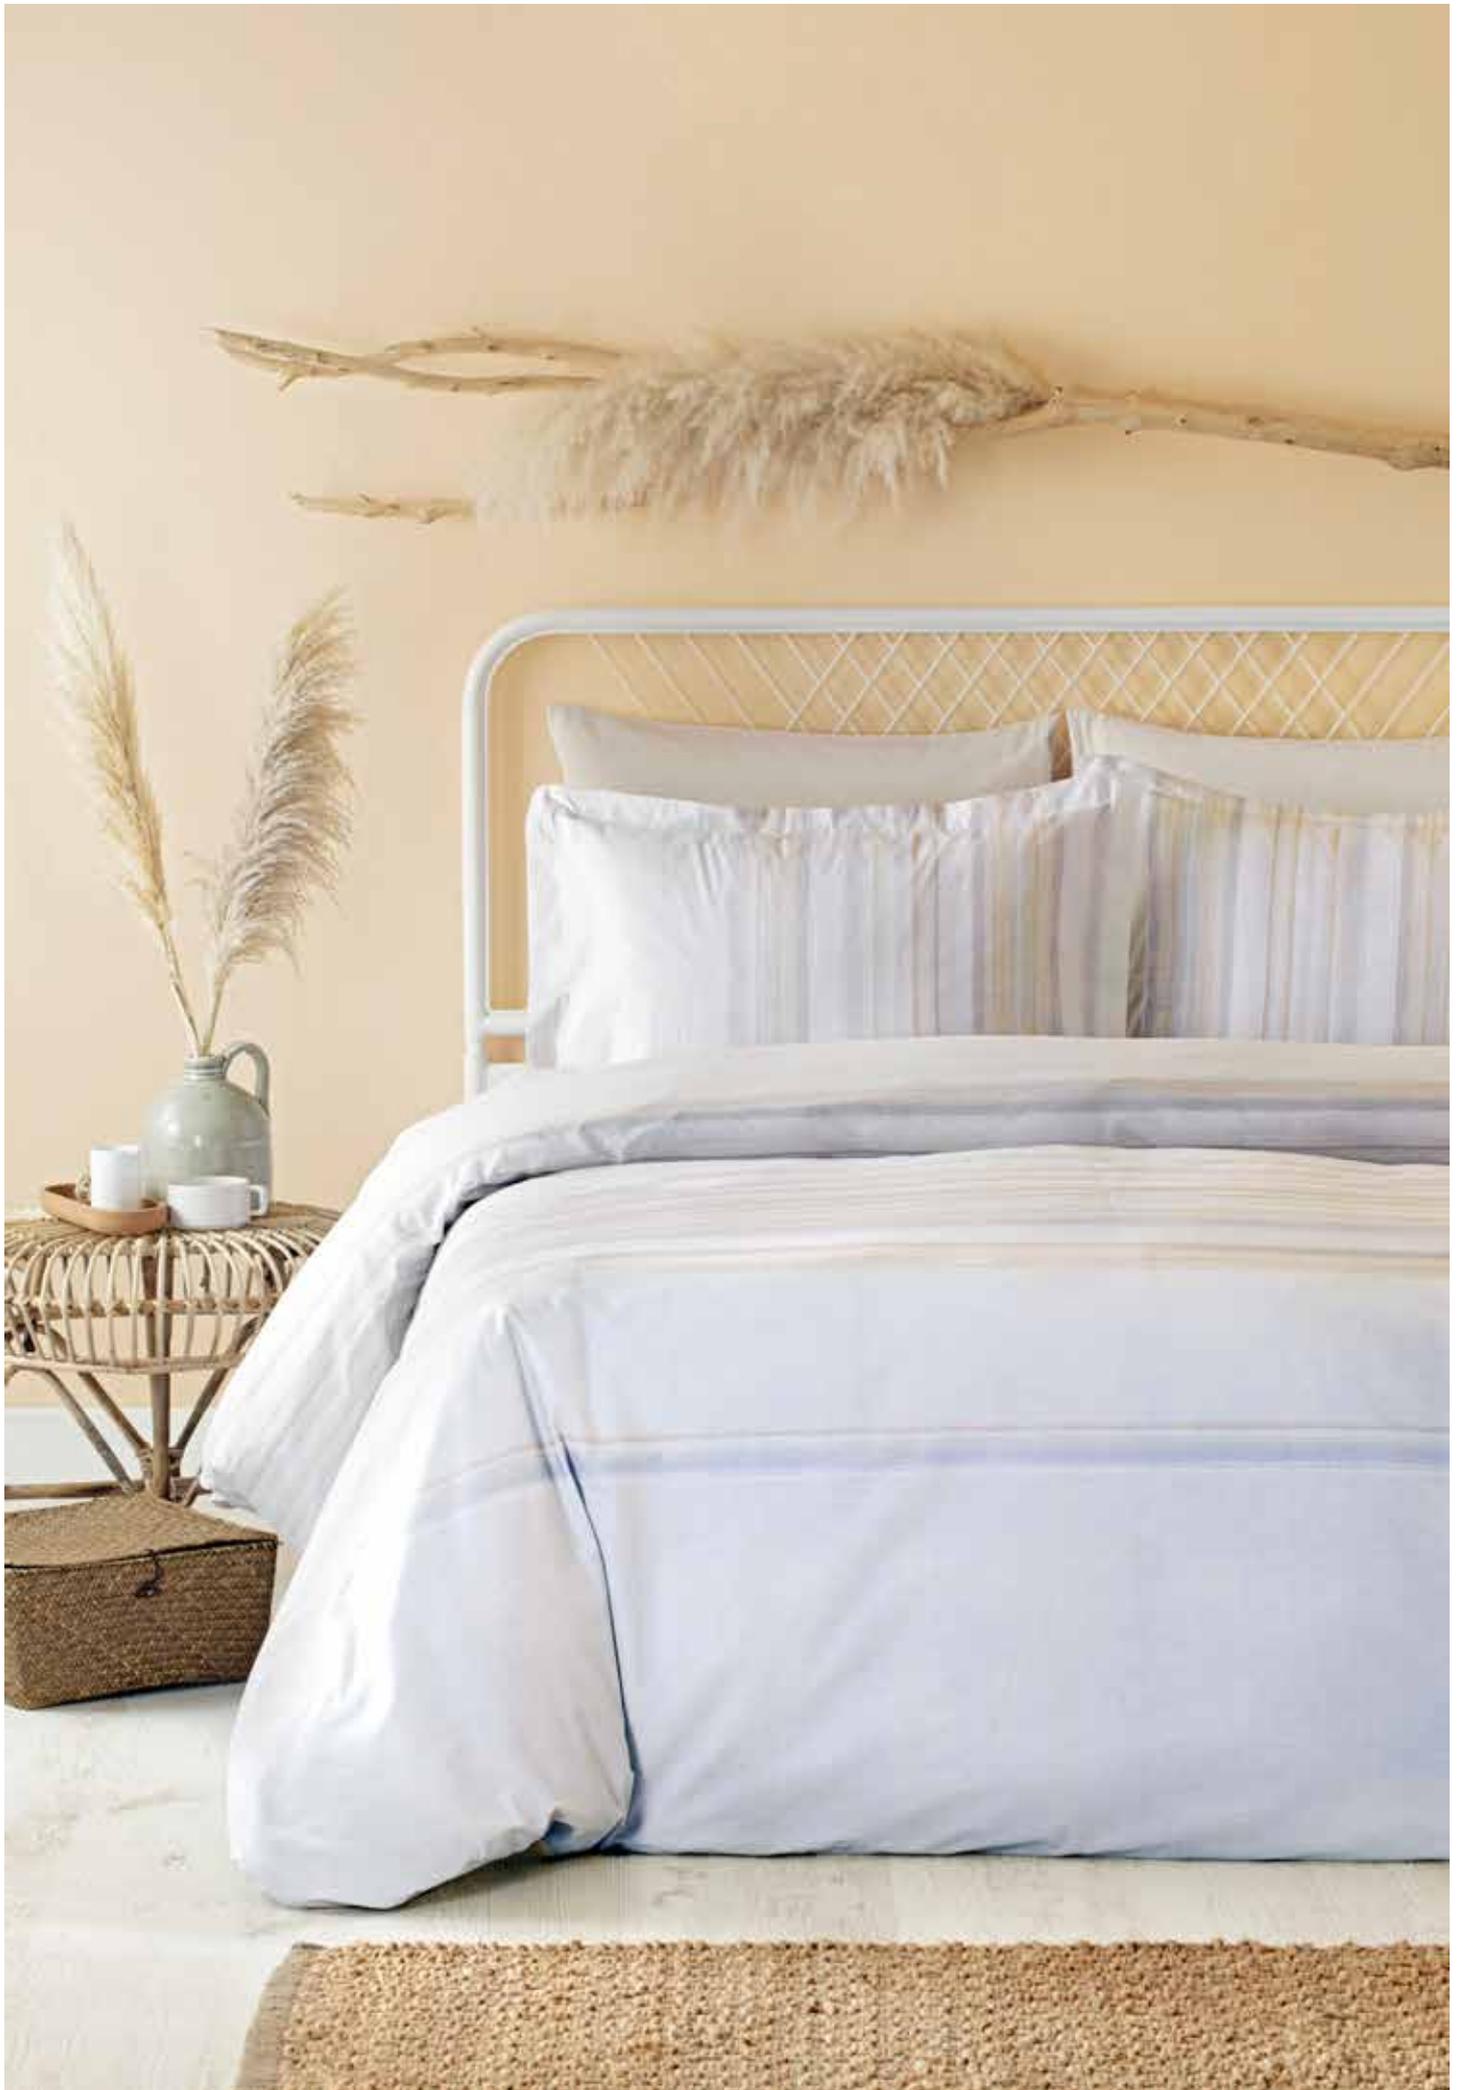

We reflect people's longing for the nature to our quilt covers by highlighting the simplicity and present them to your taste.
